A good year or so I wrote an article called 'What is Roblox?'. At the time I was new to the game that my young son had started playing and thought it a good idea to educate people on what the 'game' actually was. After playing with my son for over a year on Roblox I felt it was time to rewrite the article as there is plenty that the original didn't cover.

Roblox is an internet game stage and game creation framework created by Roblox Corporation. It permits clients to program games and mess around made by different clients. Made by David Baszucki and Erik Cassel in 2004 and delivered in 2006, the stage has client made rounds of various sorts coded in the programming language Lua. For the vast majority of Roblox's set of experiences, it was moderately little, both as a stage and

an organization, because of both prime supporter Baszucki's absence of premium in press inclusion and it being "lost among the group" in an enormous number of stages delivered around a similar time. Roblox started to fill quickly in the second 50 % of the 2010s, and this development has been sped up by the COVID- 19 pandemic.
